Rhysin VILLAHERMOSA

Front End Web Developer

About Me

Hi, I'm Rhysin Villahermosa, an aspiring web developer with a passion for creating engaging online experiences. I'm training to be a full stack developer, honing my skills in both frontend and backend technologies. As a self-taught learner, I embrace challenges and am dedicated to continuous improvement. I look forward to contributing to the dynamic world of web development.

Work Experience

Proweaver Inc.

2022- Present

Level 2 Front End Web Developer

- Transform XARA design files and client-selected layouts into fully functional website pages using HTML, CSS, and jQuery.
- Work with design and content teams to make sure the website's look, feel, and user experience align with the project's goals.

GOH Management – Harolds Evotel

2018

IT Specialist Intern

- Assist employees with hardware and software issues, providing troubleshooting and guidance for resolving problems.
- Help set up new computers, install software, and configure hardware components.
